

# MIBC Tennis Policies and Safety

## **CLASS CANCELLATION DUE TO RAIN:**

Playing tennis on a wet court is dangerous - players can easily slip and fall. If it starts to rain before your scheduled tennis class and/or the courts might be wet, please check the [tennis home page](#) on the website to see if class is cancelled.

**\*\*If there is no post, that means class WILL be meeting.**

If it starts to rain during a class, pros will wait for a few minutes to see if the weather will clear and courts will dry quickly; otherwise, class will be cancelled for the day (we will post on the website). Our instructors will make sure all of our younger players remain up at the courts until a parent or caregiver picks them up.

(Note: if more than half of the class was completed, your account will be billed for the full class. If less than half was completed, no charge for the day.)

## **CHILD SAFETY:**

**PARENTS & CAREGIVERS: PLEASE MEET YOUR TODDLER PROMPTLY AFTER CLASS FINISHES TO INSURE HE/SHE DOES NOT WANDER INTO THE PARKING LOT/LAKE AREA UNSUPERVISED. Instructors will be starting their next classes and will not be able to keep their eyes on them.**

**If you are going to be late, please call the "main office" and let us know.

**THANK YOU FOR HELPING TO KEEP OUR KIDS SAFE!**

## **COURT SAFETY:**

- Please wear TENNIS shoes while playing. Running shoes can easily cause a sprained ankle, as well as mark up the court. We don't want any injuries out there!
- Bring a water bottle (especially on hot days!). We also have a drinking fountain by the courts.
- Don't play on a wet court - you may slip and seriously hurt yourself.
- Don't forget to wear a hat and sun block.
