

2019 MIBC WATER POLO REGISTRATION

The MIBC/MICC Water Polo Team's action packed 2019 season begins July 29th and ends August 25th. We strive to provide a positive, enjoyable atmosphere where athletes can learn and achieve at their own ability level. It is not important for participants to have any previous experience in water polo prior to participation. Players ages 6-18 years-old are welcome to participate.

Practices are held weekday mornings at MICC and weekly games are held at a variety of Midlakes pools, including MIBC. The cost of participation is \$110 plus tax for the season and will be billed to your MIBC member account.
